**News-Sun Staff Report**

LIBERTYVILLE -- The library board has appointed Nathan Johnson to fill a vacancy which had been open since December.

"We are all excited to have Nate join us," board President Bonnie Quirke said Wednesday. "He will be a wonderful addition to the board."

A programmer at High Sierra Sport Co., Vernon Hills, Johnson has worked in both education and technology. He is a Vernon Hills resident.

Johnson, 40, was one of 10 applicants who interviewed for the position vacated by Chris Dalton in December. He will complete Dalton's term, through the spring of 2011, and may seek an elected term.
